

Military Service Members – Become certified as a NC law enforcement officer!

Have you...

- ...Maintained a clean criminal record?***
- ...Been awarded a military law enforcement MOS?***
- ...Completed a military law enforcement training program?***
- ...Completed 2 years full-time assignment in military law enforcement?***

If you meet the above requirements and are interested in becoming a certified law enforcement officer in NC, please complete the Form F-21, and submit it to either the Criminal Justice or Sheriffs' Standards Division. The form is available [here](#).

Upon receipt of your application, the respective Standards Division will determine within thirty (30) days if you meet the requirements of G.S. 17C-10.1 to receive credit for military training and experience.

Depending on your training and experience, you will be granted limited enrollment in the NC Basic Law Enforcement Training (BLET) program, and be required to complete up to 300 hours of training. Once enrollment is authorized you must complete, within 12 months, the required hours in any approved BLET delivery throughout the state of NC; and the state comprehensive written exam. Applicants determined by the Commission to have substantially equivalent training and experience, pursuant to 12 NCAC 09B .0701(b), will be issued probationary certification and allowed to complete required training during the 12-month probationary period.

Upon completion of the required training and testing, you are eligible to apply for certification through any of the 500+ law enforcement agencies regulated by the Criminal Justice and Sheriffs' Standards Commissions!

****For Sheriffs' Standards applicants: you may be sworn and work as a Deputy Sheriff during the 12-month training period following Standards Division enrollment approval. For information, contact Sheriffs' Standards Division at (919) 779-8213****
